

Clueless (Music and Lyrics by Paul Needza Friend) © 2006

Capo 3<sup>rd</sup> fret

Intro G(F) Am(Gm) C(Bb) D(C)

Candice, I shoulda kissed you a long time ago in that cemetery

G(F) D(C) Am(Gm) C(Bb)

Now I will never know what kind of bitch you coulda been to me

Its plain to see you were so damn horny that night I spent in your dormitory

Sleeping right next to you but never made my move I was so boring

And every time I think about all the opportunities

A(G) C(Bb)

That I passed up just because I was...

So Clueless and unsure about

G(F) Em(Dm) C(Bb) C(Bb)

Myself I need everything spelled out

Don't leave things up to me

I'm sure to find a way to

Fuck it up somehow

G(F) Am(Gm) C(Bb) D(C)

Candice, you'll never know my story or the time I spent in your purgatory

G(F) D(C) Am(Gm) C(Bb)

Its so frustrating to be kept waiting when I'm adulating over you in the dark

All my friends they keep on asking "whats gonna happen, whats gonna happen?"

And all I can ever say is "I don't know, maybe someday, we'll see"

But every time I think about all the opportunities

A(G) C(Bb)

That I passed up just because I was...

So Clueless and unsure about

G(F) Em(Dm) C(Bb) C(Bb)

Myself I need everything spelled out

Don't leave things up to me

I'm sure to find a way to

Fuck it up somehow

G(F) Am(Gm) C(Bb) D(C)
